Hej! Živijo!

Imaš težave z angleščino? No, potem je to pravi naslov zate. Z zbirko vaj **Znam za več ANGLEŠČINA 6 in 7 Besedišče** lahko utrdiš in razširiš svoj besedni zaklad. Kako? Čisto preprosto.

Zbirka ima dvanajst tematskih poglavij. Vsako poglavje je razdeljeno na tri sklope: **Besedilo, Vaje in Test**.

Jezički na vrhu strani olajšajo navigacijo, tako da vedno veš, kje si.

Vsako poglavje se začne z besedilom, v katerem so besede, povezane z obravnavano temo, različno obarvane. Pod besedilom je tabela, kamor vpišeš obarvane besede iz besedila. Običajno je obarvanih več besed, kot jih je moč razvrstiti, zato bodo nekatere besede ostale nerazvrščene.

Uvodnemu besedilu sledijo vaje, s katerimi lahko utrdiš in nadgradiš svoje besedišče.

Svoje znanje pa lahko preveriš v testu na koncu vsakega poglavja. Naloge v testih so točkovane. Skupno število točk je 24, velja pa:

- **0–8 točk:** Tvoje besedišče je skromno. Izpiši si neznane besede, jih ponovi in si jih skušaj zapomniti. Nato reši še kakšno nalogo, da utrdiš znanje in uriš spomin.
- **9–16 točk:** Poznaš že precej angleških besed, a lahko svoje znanje še izboljšaš. Poskusi prebrati tudi kakšno angleško besedilo na teme, ki te zanimajo.
- **17–24 točk:** Bravo! Imaš bogat besedni zaklad. Le tako naprej. Svoje znanje lahko še razširiš z branjem in s poslušanjem različnih besedil v angleščini.

V zbirki najdeš tudi štiri ponovitvene teste. Pri vsakem lahko dosežeš največ 45 točk. Rešitve vaj in testov lahko preveriš na koncu zbirke. Tam najdeš tudi slovarček, s katerim si pomagaj, če ti bo kakšna beseda povzročala težave.

Zdaj pa le pogumno! Vaja dela mojstra.
Reši naloge in tvoje znanje se bo gotovo izboljšalo.

Katie: James, did Ms Bennett say anything about how we should wear our **hair** on Friday?

James: Yes, **pony tails** for girls and short hair for boys. Luke will have to cut his hair at the sides a bit. He won't be too happy about that.

Katie: But Luke is in hospital.

Katie: He's **hurt** his **foot** and **wrist**.

James: Oh, this is really bad news. Megan's **sick** too. She's got a **stomach ache**.

Katie: Oh, it's all right now. I had a **sore muscle** but now I don't feel any **pain**. I'll just wear **knee pads** and be careful with my **ankles**. Ms Bennett is a bit worried about that.

James: Yeah, she worries about us a lot. She's just like my mum. Even their **hairstyles** are similar now.

Katie: Are they? Has Mrs Bennet changed her hairstyle?

James: Yes, her hair's now **black, short** and **curly**.

Katie: That sounds cool. I can't wait to see you all.

James: See you soon, Katie.

Katie: Bye.
