There are too many! We live in a big house. There are five bedrooms and three living rooms. There are also three bathrooms. That's very important with all those sisters. I'm lucky. I get my own room because I'm the only boy. We live in a small town in the USA. There isn't much to do here. There isn't a library or a museum. There are only five shops. But there is a big park. Jake Wilson is a lawyer. He works in an office in the centre of New York. He usually gets up at around 7 o'clock. He has a cup of coffee and reads the Times. Then he goes to work by bus. In the morning he usually has some meetings or writes letters and emails. He has lunch at an Italian restaurant near the office. In the afternoon he works until 6 pm. Sometimes he leaves the office an hour later. He doesn't work at the weekend. On Saturday or Sunday he goes to the cinema or reads a book. He plays the guitar in a local band, so he spends some time practicing the instrument. He's not very good at sport, but he likes to watch football on TV.
