Hej! Živijo!

Imaš težave z angleščino? No, potem je to pravi naslov zate. Z zbirko vaj **Znam za več ANGLEŠČINA 8 in 9 Besedišče** lahko utrdiš in razširiš svoj besedni zaklad. Kako? Čisto preprosto.

Zbirka ima dvanajst tematskih poglavij. Vsako poglavje je razdeljeno na tri sklope: **Besedilo, Vaje** in **Test**.

Jezički na vrhu strani olajšajo navigacijo, tako da vedno veš, kje si.

Vsako poglavje se začne z besedilom, v katerem so besede, povezane z obravnavano temo, različno obarvane. Pod besedilom je tabela, kamor vpišeš obarvane besede iz besedila. Običajno je obarvanih več besed, kot jih je moč razvrstiti, zato bodo nekatere besede ostale nerazvrščene.

Uvodnemu besedilu sledijo vaje, s katerimi lahko utrdiš in nadgradiš svoje besedišče.

Svoje znanje pa lahko preveriš v testu na koncu vsakega poglavja. Naloge v testih so točkovane. Skupno število točk je 24, velja pa:

- **0–8 točk:** Tvoje besedišče je skromno. Izpiši si neznane besede, jih ponovi in si jih skušaj zapomniti. Nato reši še kakšno nalogo, da utrdiš znanje in uriš spomin.
- **9–16 točk:** Poznaš že precej angleških besed, a lahko svoje znanje še izboljšaš. Poskusi prebrati tudi kakšno angleško besedilo na teme, ki te zanimajo.
- **17–24 točk:** Bravo! Imaš bogat besedni zaklad. Le tako naprej. Svoje znanje lahko še razširiš z branjem in s poslušanjem različnih besedil v angleščini.

V zbirki najdeš tudi štiri ponovitvene teste. Pri vsakem lahko dosežeš največ 45 točk. Rešitve vaj in testov lahko preveriš na koncu zbirke. Tam najdeš tudi slovarček, s katerim si pomagaj, če ti bo kakšna beseda povzročala težave.

Zdaj pa le pogumno! Vaja dela mojstra.  
Reši naloge in tvoje znanje se bo gotovo izboljšalo.

# FEELINGS AND EMOTIONS

Tina, Julie, Mark in Peter se pogovarjajo pred šolo, Zoyi pa danes ni do druženja s sošolci. Le kaj jo skrbi?

**Tina:** I feel so **tired** and we've got four more lessons.

**Julie:** You look **sleepy**. Did you stay up late last night?

**Tina:** I just couldn't go to sleep. I kept thinking about the date I had been on.

**Mark:** A date? You?

**Julie:** Don't be **jealous**.

**Mark:** I'm not jealous. I'm **surprised**, that's all.

**Julie:** Tell us about it.

**Tina:** Well, I met this boy, Luke, in the school canteen. He sat down next to me and we started talking. Then he invited me on a date. Just like that. I was **shocked** at first and a bit **confused**. He said that he had wanted to ask me out for a long time. I thought why not. I was really **excited**.

**Julie:** Where did you go?

**Tina:** We went to the cinema and then we had some pizza.

**Peter:** Oh, please, don't talk about food. I'm really **hungry**.

**Julie:** Oh, come on, Peter. You're always thinking about food. (to Tina) Do you like Luke?

**Tina:** He's really smart, you know, he knows so many things. I feel **good** around him. Yesterday after the date, I felt really **happy**.

**Julie:** Well, good for you.

**Mark:** Look! There's Zoya over there. Why is she crying?

**Julie:** She's **upset** because she got a bad mark in Maths.

**Mark:** Hey, Zoya, come here. We're talking about Tina's date!

**Zoya:** Oh, just leave me alone. I **hate** Maths.

**Peter:** Don't be **sad**, Zoya. You'll do better next time.

Med obarvanimi besedami poišči izraze, ki opisujejo pozitivne oziroma negativne občutke, in jih razvrsti v tabelo.

 this will make you feel <sup>9</sup> \_\_\_\_\_

<sup>11</sup> \_\_\_\_\_ (OVEL).

**GEMINI**

Mind your manners! Even if  
 you're really <sup>12</sup> \_\_\_\_\_ (NNODEYA)

 Maybe this person isn't all that bad. And  
 it may just happen that this person  
<sup>13</sup> \_\_\_\_\_ (NCIFAES) you. You  
 may <sup>14</sup> \_\_\_\_\_ (GRETER) your bad  
 behaviour later.

**CANCER**

This will be a fantastic  
 week for you. An old friend  
 will appear in your life again and you'll be  
<sup>15</sup> \_\_\_\_\_ (VEROYOJDE) to see them.  
 Don't feel too <sup>16</sup> \_\_\_\_\_ (YLTGUI) for  
 not having stayed in touch. Now you can  
 make things right! Just be yourself and  
<sup>17</sup> \_\_\_\_\_ (JOENY) the company.

Emily in Ashley se srečata na šolskem dvorišču. Ashley je imela pred tednom dni nesrečo in Emily jo sprašuje, kako se počuti.

**Emily:** Ashley, hi! What's with the **crutches**? Are you okay?

**Ashley:** I'm much better now, thanks. My leg still **hurts**, though.

**Emily:** I'm sorry to hear that. What happened?

**Ashley:** Well, it was quite stupid, really. I was riding my bike to school when I saw Joshua. I turned to wave at him and I lost control of the bike. I fell off and broke my leg.

**Emily:** That's terrible. Did it hurt?

**Ashley:** Yes, it was quite **painful**. I hit my head on the pavement and I had a **concussion**. I felt **dizzy** for some time and had a terrible **headache**. I also had **bruises** on my left hand. It was **swollen** and it's still all **black and blue**.

**Emily:** Poor you. Did anyone help you?

**Ashley:** Joshua rushed to help me. He called the **ambulance** and stayed with me until it arrived. I was taken to **hospital**. The **doctors** took an **X-ray** of my leg and saw that the **bone** was **broken**. So I got this **plaster**. It's quite cool, actually. Everyone has signed it.

**Emily:** Can I sign it too?

**Ashley:** Sure, go ahead.
